

PDL Petition Form

For the upcoming PDL season, the oldest age groups, U14 boys and U14 girls, will be available for clubs committed to the development process but currently not qualifying to petition those teams for inclusion. All decisions by the PDL Committee are final for the 2007-08 seasonal year.

The deadline for submission is set to April 10th, 2007. All petitions received after that date will not be considered. Judgments are due from the PDL Committee no later than April 16th, 2007.

Petitions must include:

1. a statement introducing the club and its commitment to development or historical basis of development in the State program
2. the club's written development program as endorsed by their Association and
3. the club's Coaching Director qualifications (B and above).

Following that review, individual teams from clubs that meet the base criteria will be considered.

Teams must exhibit:

1. low player churn
2. an improving competitive level,
3. and competitive results with high level teams in regionally significant tournaments.

High level tournament results should be documented and league results may be included.

Exceptional circumstances will be considered, and may include excessive travel distance to the nearest PDL club and C licensed Coaching Directors currently enrolled in a USSF B or UEFA B license class.

This document may be sent via email to competition@d4soccer.org
